# In Memoriam

**Dr. O. J. Johnson, 1870-1946**

Tangible evidence of Dr. Oscar J. Johnson's energetic pursuits on behalf of Gustavus Adolphus college will live long to remind students of the spirit that has made the "College on the Hill." During his administration he actively participated in campaigns for the endowment fund and additional buildings.

Old Main, Johnson Hall, the White House (the Reading Hall), the Library and the Auditorium were the only buildings standing when he made his first tour of inspection in 1914. Only 128 students attended the college. When he retired in 1941, five buildings had been added to the campus: the Gymnasium, Rundstrom Hall, Uhler Hall, the Stadium,

and Myrum Memorial Field House. The student body had increased in number to 578.

His attendance at Bethany College, Lindsborg, Kansas, and later at Augustana College, Rock Island, Illinois, earned for him a degree of Bachelor of Arts in 1896. He received his Bachelor of Divinity degree from Augustana Theological Seminary, Rock Island, Illinois, in 1899. An honorary degree of Doctor of Divinity was presented him in 1917 by that seminary.

His activities weren't limited to those official. He served on the Board of Foreign Missions of the Augustana Synod and became president of that organization.

# In Appreciation

## Dr. E. C. Carlton and Dr. Joshua Larson

Dr. Ernest C. Carlton has been a member of the Gustavus Adolphus faculty since 1904 when he became head of the Greek department. He had been an Upsala college teacher, a preacher at Battleboro, Vt., and the editor of the "North New Jersey Enterprize" before coming to G. A.

Assisting students in his English classes hasn't been his only activity here. He has also been occupied with civic affairs having been a councilman for 10 years, chairman of Nicollet county finance committee, and president of the St. Peter music club.

Dr. Carlton received his B.A. and M.A. degrees from Augustana college in Rock Island and his Ph.D. from the University of Minnesota.

Twelve years a professor at Gustavus Adolphus, Dr. Joshua Larson still perpetuates the school tradition through his work in the archives as historian. It was through his efforts that the Lyric Male chorus, founded in 1889, was reorganized under the name Svea Male chorus in 1934.

Dr. Larson was honored by the faculty at a dinner in Rundstrom lounge celebrating his eightieth birthday on November 20, 1946.

A graduate of Yale where he received his A.M. and Ph. D., Dr. Larson taught at Minnesota college in Minneapolis from 1906 until 1931 when the college closed. He then became a member of the faculty of Augustana college, Rock Island. He took his place on the Gustavus faculty in 1934.

## Dedicated to

Would you end war?  
Create great Peace . . .  
The Peace that demands all of a man,  
His love, his life, his veriest self;

Kindle him with vision, invite him to joy and adventure:  
Set him at work not to create **things**  
But to create **men**:  
Yea himself.

## Peace and Religion

Go search your heart, America . . .  
Turn from the machine to man,  
Build, while there is yet time, a creative Peace . . .  
While there is yet time! . . .

For if you reject great Peace,  
As surely as vile living brings disease,  
Surely shall your selfishness bring war.

James Oppenheim

# English

Learning English from Prof. Carlton is easy.

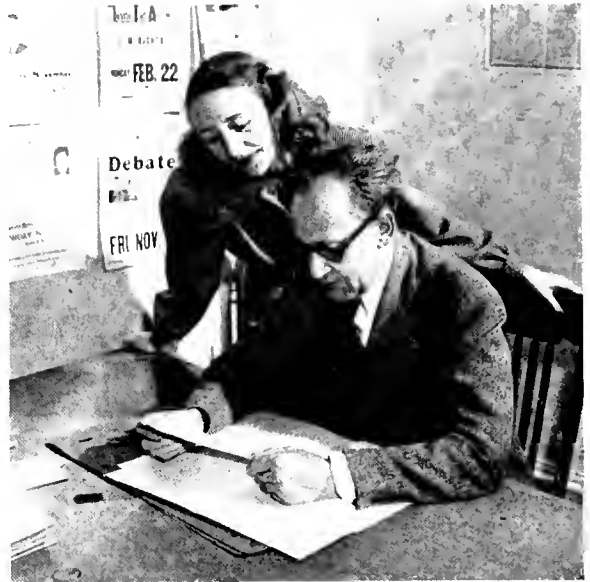

George W. Anderson, M.A., Associate Professor of English, left, and Ernest C. Carlton, Ph.D., Professor of English.

Back row, left, J. Luke Creel, M.A., Assistant Prof. of English and Marion Y. Logan, A.B., Part-time instructor in English. Front row, left, Gleva M. Hanson, A.B., instructor in English, and Florence M. Frederickson, B.S., Instructor in French and English.

# Speech

The Speech Department of Gustavus Adolphus College is one of the most active of all departments on the hill. In spite of the fact that it deals with nearly all phases of speech work it nevertheless specializes in each of those phases. Dramatics, oratory, and radio training are the main subjects taught. The Speech dept. is very active in extra curricular activities and rates highly in any program it sees fit to produce. Radio programs twice weekly through KYSM, Mankato, plays three times a year, and active participation in debates and oratorical contests throughout the midwest, are the highlights of the speech classes.

Evelyn C. Anderson, M.A., Instructor in Speech and Director of Dramatics, left, and Evan E. Anderson, A.B. Professor of Speech.

Youngdahl and Prof. Evan argue it out.

# Library

Quiet please! Geniuses at work.

Grant D. Hanson, A.M.L.S., Ass't Prof. of Library Science and Mrs. Ethel Vetter, A.M.L.S., Cataloger. Seated, Mrs. Floyd Martinson.

The library, where peace and quiet reign supreme! Probably the most popular study spot on the campus, the library contains hundreds of volumes of references needed by theme writing, information hungry students. In addition to carrying the best references possible to obtain, the library receives dozens of periodicals of the very latest issue and subscribes to the best newspapers in the United States. Open nearly all hours of a working day, the library is staffed by student help who help their way through school by working part time. During the recent text book shortage, the library came through and produced many of the needed texts in order to alleviate the shortage.

# Languages

Languages are the pillars upon which the world is built! Gustavus Adolphus College foreign language department specializes in four modern languages, French, German, Spanish, and Swedish, and two ancient languages, Latin and Greek. Latin is taught by Mrs. E. C. Carlton while Dr. Theodore E. Conrad instructs in Greek. Pre-seminary students form the majority of the students taking the ancient language courses although a few others find a great interest in them. The four modern foreign languages found great popularity at Gustavus during the school year 1946-47 and all classes were nearly over-subscribed. In addition to class assignments, an opportunity for students to converse with letters to students of other countries is also offered.

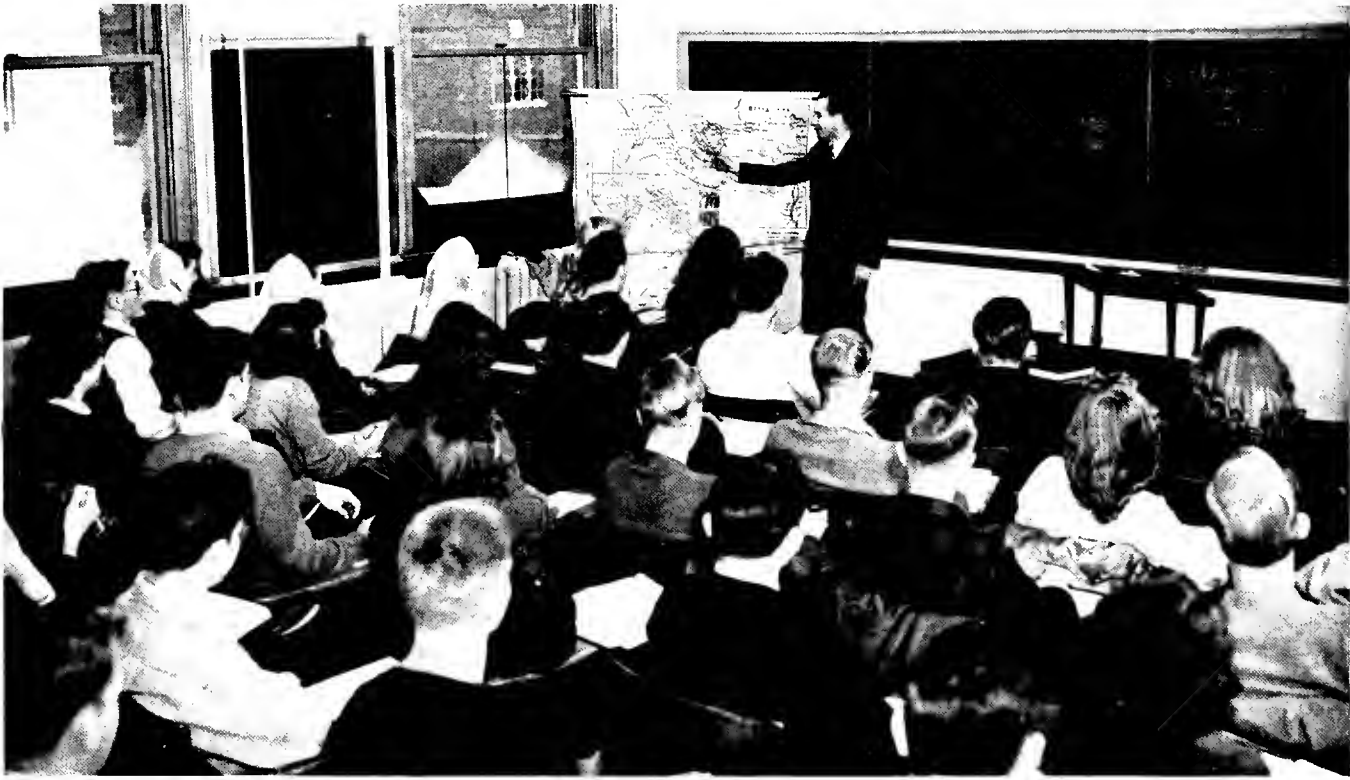

Back row. Marvin Larson, M.A., Ass't Prof. of German and English, and Mrs. Florence M. Fredricksen, B.S., Instructor in French and English. Front row. Nels P. Langsjoen, M.A., Prof. of Modern Languages and Conrad Peterson, Ph.D., Professor of Swedish.

Absentees beware as Prof. Larson checks roll!

# Christianity

Rev. Arnold's Atlas holds class interest.

George F. Hall, Ph.D., Professor of Christianity and Dean of the Christianity Department at Gustavus Adolphus College.

Left to right. Theodore E. Conrad, B.D., Ph.D., Associate Prof. of Greek, Arthur O. Arnold, A.B., B.D., Ass't Prof. of Christianity, and Herbert Gustafson, B.D., part-time instructor in Christianity.

# Art

Now a full time instructor in Art at Gustavus Adolphus College, Don Gregory has built the art department into a full fledged course. Five separate courses are offered and they cover all phases of art. In Art Appreciation instruction is given in a survey of the elements and principles of art in painting, sculpture, and architecture. Fundamentals in perspective and composition are taught in drawing while design in three dimensional form is the method of teaching Modelling. Painting involves working in pastel, watercolor and oil from still life and practical experience in the making of block prints is taught in Printing Processes.

Donald R. Gregory, A.B., Instructor in Art.

Gregory instructs future Rembrandts.

# History

Left to right: C. Edward Jacobsen, A.B., Instructor in Economic History, Conrad Peterson, Ph.D., Professor in Scandinavian History, and Doniver Lund, M.A., Ass't. Prof. of History.

The History department of Gustavus Adolphus College offers one of the best of opportunities for teaching majors to "know their stuff" when they go out into the world to pass their intelligence on to unlearned students. All phases of history are taught including European from 1500 to the present, American from colonial beginnings to the present, and specialties in periods of history such as ancient, medieval, and the renaissance. Mr. Lund instructs in the aforementioned subjects while Dr. Peterson, in the Swedish department teaches the history of Northern Europe to 1900 and contemporary Scandinavian history. Mr. Jacobsen instructs in the economic histories of Europe and the U.S.

Never a dull moment when Lund lectures.

# Philosophy

Is he doing everything right, Mr. Swenson?

Dr. Oscar Winfield and Mr. Wendell M. Swenson are kept busy continuously in teaching fifteen courses of philosophy. From introduction to philosophy to a seminar in modern philosophy the courses include logic, the histories of ancient, medieval and modern philosophies, humanities, ethics and ethical problems, and the contemporaries of philosophy. Epistemology, a thorough investigation of the sources, means and validity of knowledge, is offered to juniors. To receive a major in philosophy a minimum of twenty-four semester hours must be completed.

Wendell M. Swenson, A.B., Instructor in Philosophy, left, and Oscar A. Winfield, Ph.D., Professor of Philosophy.

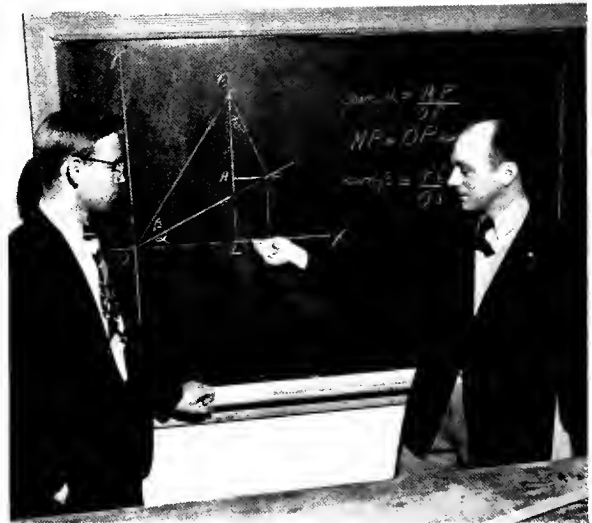

# Sciences

Prof. Bolton gives the dope on engineering.

Milward T. Rodine, Ph.D., Professor of Physics, seated and C. Burton Gustafson, A.B., Instructor in Physics and Math.

C. Burton Gustafson, A.B., Instructor in Physics and Math, left, and H. Milton Anderson, Ph.M. Assistant Professor of Math.

# Sciences

The division of Natural Sciences at Gustavus Adolphus College is composed of six different departments. Nearly all phases of science are offered and a student can gain the necessary credits in pre-science courses before transferring to universities for specialty courses. The biology department lost one of its finest professors when Dr. Hubert Frings resigned from the staff to accept a position at Pennsylvania State University. In addition to biology, Gustavus has departments of chemistry, engineering, geology, mathematics and physics. In pre-professional training, the curriculum of pre-dentistry, pre-med, pre-mech. engineering, pre-civil engineering, pre-electrical engineering, and pre-aeronautical engineering is offered to Gustie students.

Chester Johnson, A.B., Ass't Professor of geology.

Joe Hermanson, Ph.D., Professor of chemistry, left, and P. M. Skartvedt, M.A., Professor of chemistry.

Mabel Ruth Frings, B.S., Instructor of biology, left, and Hubert W. Frings, Ph.D., Associate Professor of biology.

# Band

All eyes await Freed's downbeat.

Frederic Hilary, B.Mus., Ass't. Professor of Music.

The big event for the Gustavus Adolphus Symphony Band commenced on February 9, 1947, in Mankato, Minnesota. Each year the band eagerly awaits the tour of concerts it will present throughout the Upper Midwest. This year, eighty-five musicians under the able direction of Prof. Frederic Hilary went on an extensive two week tour. They opened the season in Mankato and later presented grand performances in Willmar, Duluth, Brainerd, Fergus Falls, Rochester, and Minneapolis, Minnesota. They then traveled to Milwaukee, Wisconsin, and Chicago, Illinois, where they played to appreciating audiences. This year Miss Margo Wertenbach, brilliant young soprano from New York, accompanied the band as soloist with Mrs. Frederic Hilary as piano accompanist.

# Choir

Wilbur F. Swanson, Mus.M., Associate Prof. of Music.

June L. Stromgren, B.S., Instructor in Voice, left, and Beulah Rae Lund, M.M., Assistant Professor of Music. Seated, Ella J. Pehrson, B.Mus, Instructor in Piano.

Wilbur F. directs perfect harmony.

# Economics

Rufus T. Logan, M.A., Prof. of Economics and Business, left, and C. Edward Jacobson, A.B., Instructor in Business Administration.

Gustavus Adolphus College boasts one of the finest business administration and economics departments in the small college ranks. Principles of economics, statistics, etc., are offered by the economics department while the department of business administration delivers courses in principles of accounting, office management, business law, and many other courses necessary to the successful business aspirant.

Mr. Laube balances the books for John Doe.

# Secretary Training

Miss Karstad hands Halligan a laugh.

Above. Miss Luella Karstad, instructor in Secretarial Training teaches many courses to prepare aspiring secretaries to the business world. In addition to teaching elementary and advanced typewriting, elementary and advanced shorthand, Miss Karstad instructs her students in the knowledge and skill of operating complicated machines necessary to the business world. When the end of a semester arrives students so enrolled in these courses are thoroughly familiar with such machines as calculators, Ediphones, comptometers, mimeographs, etc.

Right. Dr. Ove S. Olson, head of the department of education goes over plans for the next semester. In this department future teachers for secondary and primary schools are trained in the fields of biology, chemistry and physics, English, general science, German, history, Latin, mathematics, social science, and speech while in the special fields, bookkeeping and accounting, shorthand and typewriting, grade and high school music, and physical education are taught. Better teachers for better teaching could well be the motto of the department of education at Gustavus Adolphus College.

Ove S. Olson, Ph.D., Associate Professor of Education.

# Home Economics

Bertha Fogde, M.A., Ass't. Prof. of Home Econ.

There is more than learning to boil an egg in gaining credits in Home Economics. Color and design, home planning and furnishing, nutrition, textiles, and clothing are offered to Gustavus students by Bertha Fogde, major advisor. Located in the lower level of Old Main the home economics department boasts one of the most modern equipped class rooms in state colleges. Only this year new courses were added to the curriculum in order to grant majors to interested students in the field of home economics.

Home Ec. involves paper work, too.

# Psychology

With the teaching of nine different courses in psychology Dr. Elmer Siebrecht and Mr. Francis Gamelin are kept busy at all times. In addition to instructing this course Dr. Siebrecht serves as Dean of the college and Mr. Gamelin served as Registrar prior to resigning in order to continue his studies at the University of Minnesota toward a Ph.D. in this field. Nurse trainees enrolled at Gustavus for one semester are required to take a special course in psychology given by Dr. Siebrecht.

Francis C. Gamelin, M.A., Assistant Professor of Psychology, left, and Dr. Elmer V. Siebrecht, Ed. D.

# Sociology

The Sociology and Social Work department of Gustavus Adolphus College is rated as one of the best in the country. With Floyd M. Martinson and Paul T. Steen as professors this department always serves the sociology field with the finest trained personnel. In Sociology the study of the family, rural life, urban life, criminology, etc., are employed while the Social Work consists of problems in child welfare, social work in the church, and introductory psychiatry. Majors in this field spend about 150 hours during their senior year doing field work about the state.

Paul T. Steen, A.B., Asst. Prof. of Social Work, left, and Floyd M. Martinson, A.B., Asst. Prof. of Sociology.

# Boy's Gym

Vic builds better bodies.

Victor Gustafson, A.B., Director of Recreation, left, and Lloyd Hollingsworth, M.Ed., Director and Assistant Professor of Physical Education.

All freshmen and sophomore boys with the exception of veterans are compelled to take two credits of physical education per semester. With touchball and archery in the fall, basketball and swimming in the winter and softball in the spring the time is put to good use in order to develop better bodies. Vic Gustafson instructs the gym classes and often breaks the routine by putting on a gymnastic show for his students. The veterans are given automatic credit for physical education and only those majoring in that course are required to take it.

# Girl's Gym

Every morning of the week except Saturday and Sunday the girls under the capable direction of Mrs. Doris L. Sutherland and Mrs. Marlys Brenckman take over the gymnasium and swimming pool for their compulsory physical education classes. Basketball, softball, archery are among the numerous sports which the freshmen and sophomore girls participate in and once a week Mrs. Brenckman puts them through their paces in the swimming pool. Upon completion of the first two years of school the girls no longer take phy. ed. but rather devote their time to their majors.

Doris L. Sutherland, Director of Women's Physical Education.

Eighteen eyes hope it drops in.

## Homecoming

"Hello walk," crowded to capacity with alumni talking over the old days, surely lived up to its name during the weekend of October 25-26. Spirits were flying high during the busiest homecoming old Gustavus on his sleepless watch over the campus has ever witnessed.

Various groups on the hill buzzed into action in preparation for the big event. The classes and frats went into huddles erecting floats. Huge plywood football players "clobbering the Cobbers" flew up. Gaily colored lights outlined "Old Main" so that the GA landmark could be seen from any point in town.

The crowning of Homecoming Queen Aldys Holmes started the festivities rolling. The darkened auditorium was pierced by a spotlight playing on the royal entourage as it moved throneward to the strains of "Pomp and Circumstance."

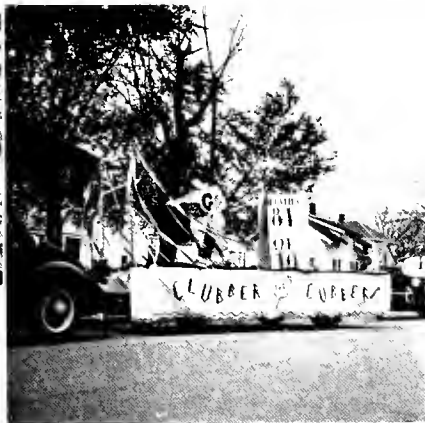

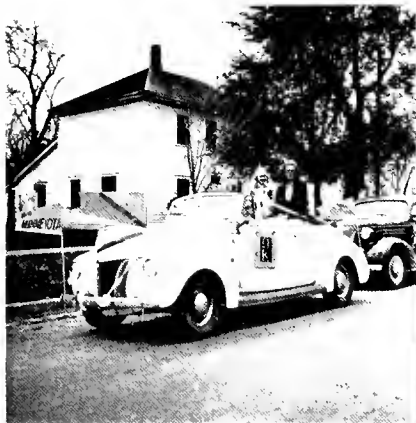

The athletic field and the bonfire was the next stop for the mass of celebrators. During the half hour that the day's work of the freshman class burned, the crowd roared under the direction of Vic Gustafson's cheerleaders.

Forming a line the crowd started a mad snake dance leading through streets, alleys and in and out of the various establishments tying up traffic and a few pedestrians.

A sultan's caravan carrying a "Conquered Hero," a stewing cobbler, queens galore and many other phenomena on wheels proceeded up Minnesota Avenue on the way to the stadium, Saturday, while Navy fighters zoomed overhead in formation. The Chieftain's float, which carried Indians clobbering a maroon and gold Cobber, won first place in the float contest winning a penny-filled loving cup.

## Season Resumé

Capturing the second State College Football Championship in as many years, the 1946 edition of the Gustavus ironclads, under the capable coaching of Lloyd Hollingsworth, lived up to every pre-season prediction as they rolled to six conference victories and an undefeated season record.

The Gusties started the season against a strong Augustana eleven in a non-conference game, and the result was a tie, 6 to 6. The game was featured by excellent defense and strong line play.

In the next contest the Gusties rolled over Augsburg 32 to 7. The following Friday the ebony and gold out-mudded St. Thomas 25-6 on the rain-soaked Gustie gridiron. On October 12, St. Johns fell victim to a 34 to 14 shellacking at the St. Cloud field.

St. Mary's stopped Bob Collison in a game billed as a "battle of lines," but Babe Fiebiger broke loose for three touchdowns as the Redmen were downed 33 to 6.

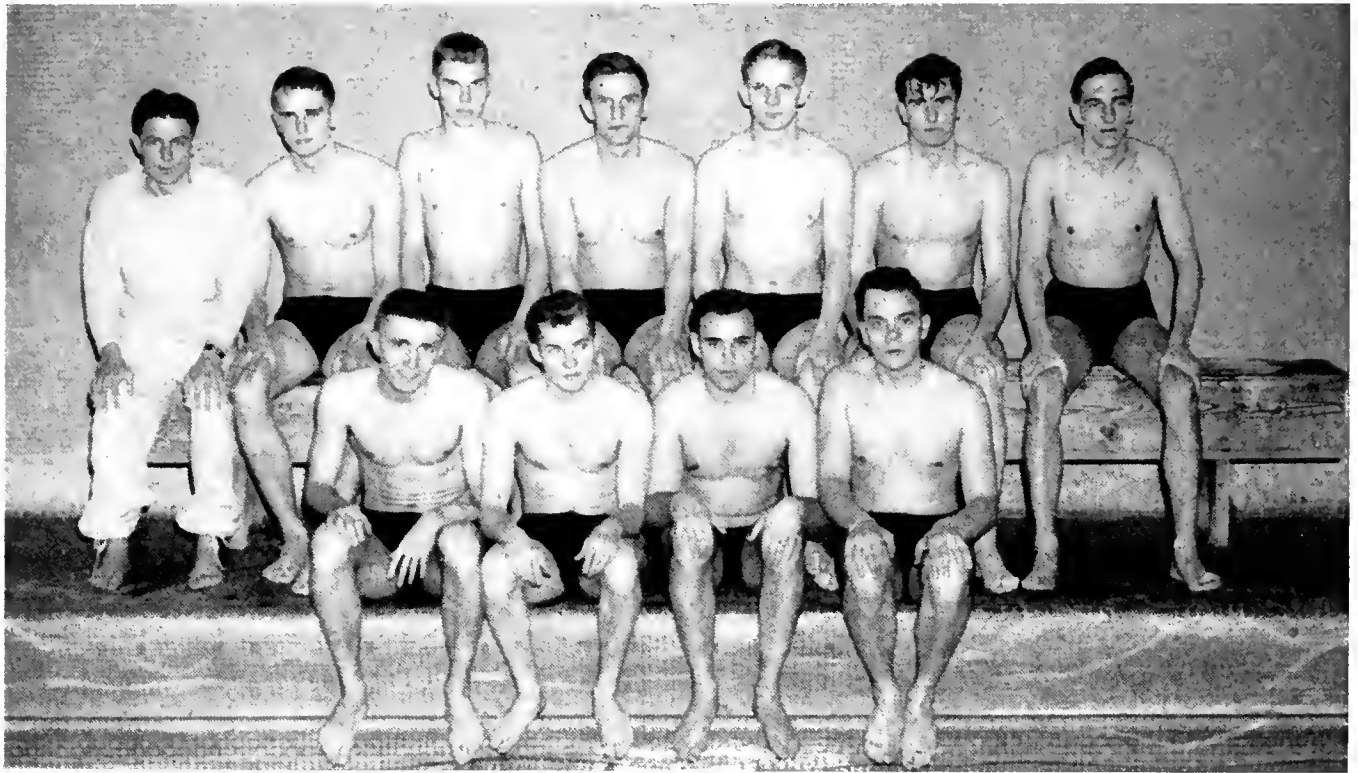

At the Gustavus Homecoming, October 26, Concordia put up a clever defense against the Gusties for a quarter, but dropped the tilt 26 to 6.

Hollingsworth and Company continued to down all opposition as St. Olaf suffered its first conference loss, 21 to 6, which cinched the title for the Gustie eleven.

In a game to decide the State Championship on Armistice Day, Mankato T.C. bowed to the College Champs in the "Battle of the Year." The score ended 14 to 7, but in total yards gained, the St. Peter crew outgained their rivals 251 to 81 yards from scrimmage.

Thus ended a very successful season for Hollingsworth and his 1946 squad. CONGRATULATIONS ONCE AGAIN!!

# Swimming

Left to right front row: Duane Flink, Edward Fillmore, Bill Small, Owen Nelson. Back row left to right: Coach Vic Gustafson, Ray Bingea, Dave Danielson, Art Lindberg, Herb Sommermeyer, Patterson, Captain Wally Hanson.

Wally Hanson, Gustie free style champ, led the Gustavus splashers with a double win to third place in the 1947 State Conference Swim tournament. He copped the 50 yard free style in :24.9 tying the conference records and splashed to a new record of :57.3 in the 100 yard free style. Hanson also cracked a 60 yard Gustavus pool record of long standing. The existing record of :31.9 seconds was snapped twice as Hanson trimmed it to :31 seconds flat and then a week later lowered it to a fast time of :30.9.

Another champ on the squad was Duane Flink from Rockford, Illinois, who took first place in diving in the State Meet and also placed third in the 200 yard breast stroke. Both Hanson and Flink will be back next year with most of the other team members. Conference competition found the tankers losing only to St. Thomas and St. Olaf while winning five other meets.

# Cagers 2nd in State

Tuddie Lindenberg's cagers took the runnerup spot behind Hamline with an 8 and 4 record to upset pre-season dope. Gustavus' hopes were pinned on Junior Skoglund whose flashy play at forward won the individual scoring crown and also All-State recognition.

Skoglund countered 211 points in conference play for an average of 17.58 per game. His scoring total for the season was 393 points, surpassing Conway Thompson's mark of 316 set last year.

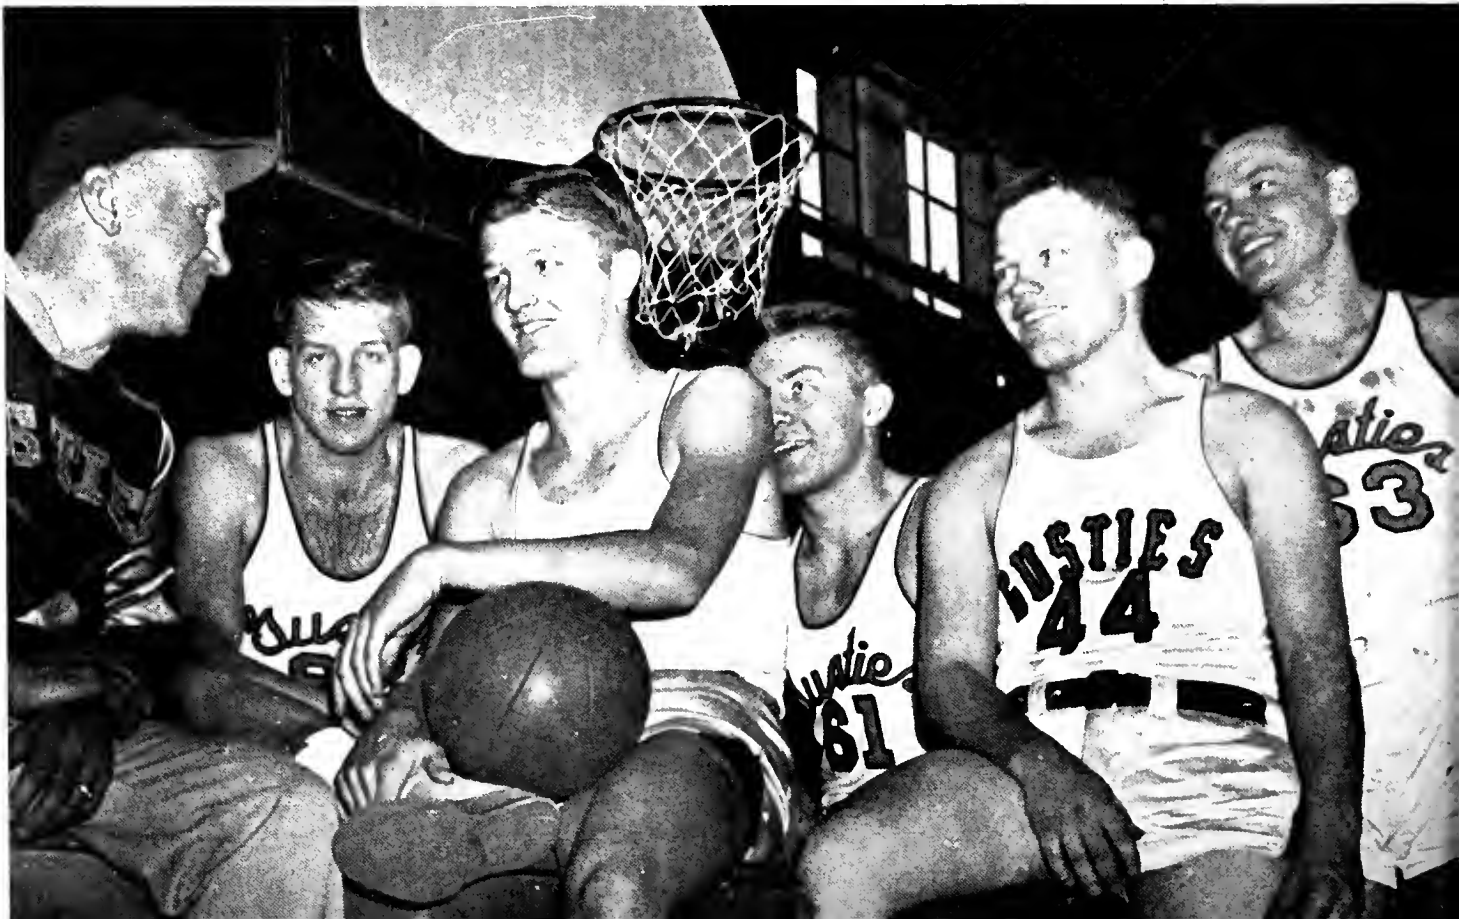

Gustavus was the only team to give Hamline, Conference Champs, a hard time as the Gusties played their best ball to defeat the Pipers 44-35 on the Gustie home floor. Homer Martinson played heads-up ball and racked up 18 points for high point honors that night.

Another thriller found Gustavus turning a rout into an upset as Mankato TC, State Teacher Champs, went down to defeat 62-56. Mankato held the Gusties in check rolling to a 20 point advantage in the second half. Jerry Cady rose to the occasion, however, and sparked his mates to a 6 point victory.

In the final game of the year Carl Fosness climaxed the season with 18 points on 9 field goals for his best performance of the year against St. Marys. The Gusties won 65-50.

Beanie Langsjoen rounded out the first five. His fine team play worked well with Lindenberg's spirited five. Bill Haldy, Stu Skoglund, Joe McCloskey and Jess Kunkel entered the contests at crucial times and proved their standing as capable reserves.

Left to right: Coach Lindenberg, Jerry Cady, Junior Skoglund, Beanie Langsjoen, Homer Martinson, and Carl Fosness.

# Track

Gustie thinclads, paced by Kenneth Person, annexed fourth place in the 1946 State College Track Meet held at Macalester. The chief point-getter throughout the season was Person who was undefeated in the mile event and also copped second place in the state college two mile run.

Running for Gustavus and placing in the State Meet were Ken Person, Lowell Gillett, Dale Anderson, Donald Gollnast, Glen Larson, Denny Krueger, and Dale Scholl.

Although defeated by Mankato and St. Thomas in two duel meets and by Mankato and Macalester in a triangular meet, the Gusties are looking forward to 1947 for better cinder results.

Besides the returning lettermen, Coach Lindenberg is looking for favorable results from Paul Kinney, Chuck Stevens, Charles Knobel, Paul Rodine, Jerry Cady, Myron Olson, Bill Youngdahl, and Lowell Sillman.

In the fall of 1946, Gustavus cross-country runners dropped a close race to St. Thomas 28-27.

# Hockey

Gustavus hockey team ended its 1947 season with a record of 5 wins and 5 losses. The Gusties defeated St. Johns, Augsburg; split with Macalester; and lost to St. Thomas in five conference starts.

The highlight of the year was the pucksters' 3-2 decision over St. Johns, the team that won the St. Paul Winter Carnival Championship.

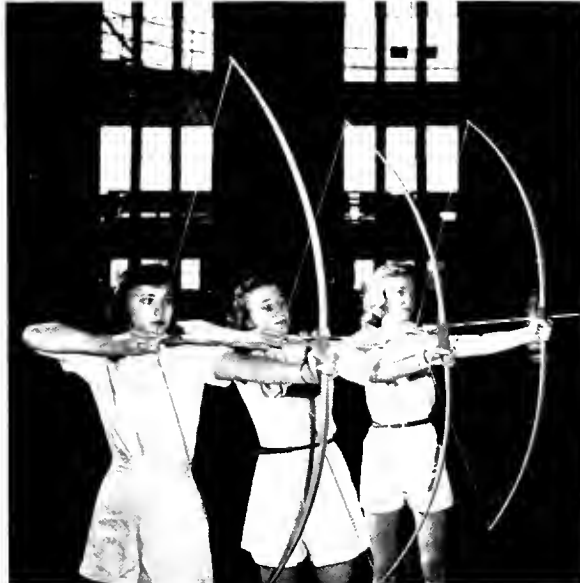

Gordy Thomas, Gustie stellar defenseman, played brilliant hockey throughout the season. His loss through graduation will be felt, but the remaining players after gaining valuable experience, will be gunning for the 1948 season.

Coach Vic Gustafson's team was led by Russ Person on the scoring end while Ted Johnson was elected Captain.

Back row, left to right: Roger Jackson, Gordon Thomas, Coach Vic Gustafson, Eric Lindberg, Gordon Anderson, Erling Enquist, Richard Sommers, John Olson, Glenn Anderson, Dale Thompson, Beano Johnson, Keith Skogman, and James Field. # QUEEN OF THE LAKES 1947

RUTH MARIE TOLMAN

Aquatennial Queen of the Lakes, 1947, is the title Ruth Tolman claims as a result of the Queen of the Lakes contest held during the 1946 Minneapolis Aquatennial celebrations. Ruthie, a sophomore, is anything but just beautiful. She is known on the campus as a mathematics wizard and many is the date she refused in order to sit in her room to complete her calculus assignments. Her pleasing smile and shining personality won innumerable friends for Ruthie and she reigns as unofficial queen of Gustavus. In July, 1947, she will rule for ten days as Queen of the Lakes for the Aquatennial Association of Minneapolis. However, there was more than just being beautiful in being an Aquatennial majesty. Throughout the school year Ruth traveled many miles as a representative of the Aquatennial Association. She went on a ski train trip to Red Wing, a winter carnival in Fargo, N. D., and many other ventures. Why, she even made a special trip to Minneapolis one day just to have her picture taken on top of an elephant. Yet, Ruth has enjoyed every minute of the "Alice in Wonderland" role. She has often pinched herself to prove she isn't dreaming but she never wakes up. Gustavus Adolphus College is very proud of Ruth Tolman and joins in with her hundreds of other friends who wish her continued success and happiness throughout her life.

# MISS MINNESOTA 1946

ROSE MARIE GREGG

Miss Minnesota, 1946! Shortly after her classmate Ruth Tolman copped the Queen of the Lakes title, Rose Marie Gregg was chosen Miss Minnesota at a contest sponsored by the Minneapolis Junior Chamber of Commerce at Lake Excelsior. Rosie, as she is called by all of her many friends, attended Gustavus Adolphus College for a year prior to going to Hollywood in response to film offers. Miss Gregg is now in Hollywood dickering with Warner Bros. studios. She received her many movie offers when a contestant at the Miss America beauty contest in the summer of 1946. Though her height (or lack of same) cost her the title of "Miss America" Rosie distinguished herself by receiving more offers for work before the cameras than any other contestant. A lovely five foot three inch blonde, Rosie will well be remembered at G.A. as one of the best dressed women on the hill. In winning the Miss Minnesota contest she amazed all by running away with the title on beauty alone. Though one of the requirements of the contestants was to display a certain talent whether it be piano playing, singing, etc., Rosie won without possessing a talent for that requirement. After she won, however, she was booked at the Flame Room at the Radisson Hotel in Minneapolis as a singer to give her the needed poise and experience which was a "must" at Atlantic City.

# Class of 1919

**LUTHER W. YOUNGDAHL**, a member of the class of '19, is the third Gustavian to become governor of Minnesota. Alumni preceding him in the state executive position were Adolph O. Eberhart, '95, and John Lind, who attended Gustavus' forerunner, St. Ansgar Academy.

Gov. Youngdahl's rise to the office of governor has been a steady one as he has never held the same office twice. In consecutive steps he has advanced from lawyer, to municipal judge, to district judge, to state supreme court justice. He resigned from his post in the supreme court after he was elected on November 5, 1946, when he had served four years of the six year term.

A captain in World War I, Gov. Youngdahl served in the field artillery. While at Gustavus he was active in athletics and other extra curricular activities. He was on the first string of the varsity football eleven filling the positions of tackle, center and half back during his years of play. A member of the baseball team he was also a cheerleader or "rooter king." Oratory and the Lyric Male chorus were among his other activities.

# Class of 1922

**MAJOR WALTER A. LUNDEN**, one-time president of Gustavus Adolphus college, found himself named military governor in Bavaria. He knew of the Nebraska Boy's Town and decided to adapt the idea to his own purposes in a German setting. The school he established is financed by the German government and employs German teachers, but is under supervision of the American military government. Boys "screened" from a large reformatory, taking only those who give promise of trying to make good, make up the enrollment. The school gives attention to the development of seedlings to replant depleted forest areas and also teaches harness making, carpentry, shoe making and kindred crafts.

Dr. Lunden served his Alma Mater, Gustavus Adolphus college, as president from July, 1942, to December, 1943, resigning to accept a position as captain in the Army.

# Honor Societies

**Tri Beta**, a society furthering the appreciation of music, is made up of students selected according to their musical accomplishments. The society's 1946 annual banquet was held at the Cook-E-Jar. Producing the operetta "Hansel and Gretel" for the May festival was Tri Beta's project this year. Phyllis Peterson, president; Ardis Swanson, secretary; Don Conrad, treasurer; and Maynard Holte, vice president were elected to office in the April, '46, election.

**Alpha Psi Omega**, a national dramatic fraternity, is represented on the hill by the Beta Mu chapter. Members are voted into the organization if they have held two major roles or have acted as stage manager in two plays. The most important function of the fraternity is its initiation ceremony. Present officers for the group are: Kathryn Johnson, president; Lorraine Felt, vice president; Ann Marie Olson, secretary.

# Honor Societies

Alpha Phi Gamma's Alpha Beta chapter is composed of Gustavians who have held prominent journalistic positions here on the "hill." The fraternity was reorganized in 1945 after a two years' period of inactivity during the war. In 1946 sponsoring the press club as well as lectures given by noted speakers were included in its activities. The organization's faculty advisor is Dr. E. C. Carlton.

Pi Kappa Delta of Gustavus Adolphus college has been a member of this national forensic fraternity for 24 years having received its charter on April 14, 1923. St. Olaf, Macalester, Hamline and Concordia are the other members of the Minnesota Gamma chapter. Attending the national convention in Bowling Green, Ohio, on April 7-14 of this year were: Jean Horman, Ann Tillberg, Luther Youngdahl, Jr., and Howard Albertson.

Seated left to right: Ruth Clauson, Dick Johnson, Robert Kinmore, Marge Sandberg, Marilyn Spencer.

Seated left to right: Sherman Burns, Anna Mae Backlund, Jean Horman, Hap Halligan, Ann Hillberg.

# Honor Societies

The Svea Society was organized for the purpose of fostering Swedish culture. Among its activities is the sponsorship of the traditional May festival. As a result of the May, '46, election, Don Larson became president. When he left for medical school after the '46 Fall semester, Vice President John Johnson took his place. Treasurer for the organization is Reynold Bjurstrom and secretary, Bernice Axelson. Dr. Conrad Peterson is faculty advisor.

Delta Epsilon Omicron was organized to create interest in the field of social work. The Omicrons invite social workers to speak at their monthly meetings. It was this organization that sponsored the European clothing drive during the winter of '46-'47. Officers for the society are: Patricia Dahl, president; Eleanor Nelson, secretary; Reynold Bjurstrom, treasurer. Professor Paul Steen is the faculty advisor.

# Honor Societies

The American Chemistry Society was established as a chapter affiliate of that national organization on July 19, 1946. The function of the society is to provide an opportunity for students to get acquainted with the uses of chemicals for industry and everyday life and to provide a means for social and professional contacts.

The Svea Male chorus, having disbanded because of the war, was reorganized with Prof. Aarne Koljonen as its director in October of 1946. The chorus is a descendant of the Lyric Male chorus which was founded in 1889. It was reorganized in 1934 under its present name by Dr. Joshua Larson.

# Sororities

The **Sigma Delta Sorority**, closely united in true friendship, strives to work in harmony with all to help promote the "spirit" that exists at Gustavus. Besides their rushing parties and pledge dinners, the Sigmas entertain their escorts at fall and spring formals, with hayrides, steak-fries and sleighrides.

The **Alpha Phi Sorority** was organized for the purpose of strengthening the bonds of friendship. There is a rushing party carried out in the gypsy theme and a commencement breakfast for the graduating seniors in the spring. The green and white of the pins signifies the Alpha Phi's "Amity Forever."

Left to right standing: Kathy Johnson, Cecile Carlson, Georgine Hallen, Betteanne Wohlheuter, Joyce Moore, Betty Jane Johnson, Betty Ann Gjervik, Ruth Clauson, Betty Engebretson, Ruth Tolman, Doris Hallstrom, Ruth Larson, Candace Westberg, Marge Eha, Maurine Ibberson, Connie Elofson. # Sororities

Friendship unites the T.M.'s in sisterhood from the moment they take the pledge in solemn candlelight and on into life. The first red rose they receive in the quiet dignity of that ceremony signifies the youthful gait of coming festivities, for it is the flower of Tau Mu Tau.

"True friends all through life" was the thought in mind when the Delta's had their organization meeting in 1926. The Delta's Music Shop rushing party, an annual Christmas benefit party for needy children, Mother and Daughter banquets, formal banquets, hayrides, and picnics are all traditional with the Delta Phi's.

# Sororities

From the moments of the hushed candle-light pledging of new members to the gay hour of the breakfast for graduating seniors, the **Iota Beta Sorority** lives warmly in the hearts of the sister I.B.'s. Friendships are formed which will ever turn thoughts—loyal and deep—to Alma Mater.

The **Theta Xi Gamma Sorority**, in carrying out its colors of green and gold, holds one rushing party, traditionally a carnival featuring clowns, sideshows, fortune tellers, a rhythmic dummy band, and pink lemonade. Other gatherings include two formal banquets, occasional dinner, a winter sleighride and Homecoming and Commencement reunions.

# *Inter-Sorority*

The **Inter-Sorority Senate** consists of two members from each of the six sororities on the "hill." It endeavors to promote closer cooperation among the sororities regarding rushing, initiation, and other general sorority functions. It also sponsors a tea each spring for the non-sorority girls to explain the functions of sororities.

Back row left to right: Ruth Hokanson, Marian Anderson, Vernis Olander, Virgie Piesold, Marge Eha, Pat Dahl, Lorraine Johnson. Front row left to right: Joyce Flink, Mavis Jorlin, Marge Lindberg, Marette Johnson, Kathy Johnson.

# Fraternities

A body through which good fellows meet in a congenial atmosphere to enjoy the other's comradeship. One common desire unites all members to one common bond—a more perfect realization of what the word "brotherhood" means and implies. Each successive year **KEX** draws that bond to a more perfect end.

The **Phi Alphas** hold formal mid-winter and spring banquets, occasional smokers and get-to-gethers, annually present awards to the members achieving All-state honors in athletics during the year. The Animal Parade staged by the pledges is a Phi Alpha tradition. Membership this year numbers around thirty-five.

# Fraternities

The **Chi Iota Kappa**, better known to the socially minded students on the Hill as the Chieftains, is commemorating its fortieth anniversary this spring with a gala banquet. Chieftains are noted for their fun-loving spirit and through the able guidance of Dr. Carlton keep the "Tomahawks Sharp" at all times.

The **Nu Upsilon Gamma** Fraternity, better known as the Grey's, has long been a social and fraternal institution at Gustavus. Famous men in its past include Governor Youngdahl. The Grey's now have 18 members. A grey sweater with a red eagle is an outstanding badge of the fraternity.

Back row left to right: Donald Graville, Warren Erickson, Harold Overn, John Sheets, Dale Windhorn, Jack Garbe, Ross Brahee, Ed Wick, Regner Christianson, Walter Johnson, Richard Solvig. # Fraternities

**Omega Kappa** is proud of its rich store of traditions evolved through forty-one years of fraternal organization: of swing and swat at Adam's barn, of egg fights, the annual Fun and Frolic at Kasota, and programs for Church Brotherhoods. These holds a special place in the heart of every Olympian.

The "**Eppies**," fraternity of fellowship eternal, traces its origin back to 1928, when a group of sixteen men interested in banding together in true social fellowship during their college career organized. The most unique activities of this group are the Homecoming "Kaffe Kalas," weekly supper meetings, and the highly musical serenades.

First row left to right: Art Carlson, Bob Larson, John Magalee, Bob Hazelwood, Clyde Carter, Hiram Drache, Howie Huebl. Second row left to right: Dick Brenckman, John Roselansky, Warren Larson, Laurel Lindberg, Bob Johnson, Harold Mattke, Ken Behrendts. # Fraternities

The "Reds," socially known as the Tau Psi Omega, boast a history which reaches back for more than four decades. The organization has established a distinguished reputation, being always prominent in the field of sports. The Reds are noted for their prowess as hosts in the social circles.

The Inter-Fraternity Senate consists of two members from each of the seven fraternities on the campus. It serves as a clearinghouse for fraternity opinion, and stands ready to support school functions that will contribute to the social well-being of the students. Highlight of the year was the fraternity bowling league.

Standing left to right: Pete Louricas, Junior Skoglund, Ken Bakken, Ralph Neumann, John Hovanec, Harold Swanson, Jack Nellson, Vic Pederson, Beano Johnson, Verle Westegaard, Charles Doerr, Bill Erickson, Harold Gunderson, Willard Solie. ## Rundstrom Hall

"May all who through those portals pass  
Bring peace and joy within"

Thus with this quotation we begin to describe the beautiful dormitory for beautiful frosh girls. The most popular spot in the dorm is on the lower level, better known as the "Rendezvous Lounge."

Midnight snacks, big spreads in the kitchen, and dorm devotions all form part of the joyous life in this Kasota-stone-built dorm.

# Uhler Hall

Amid the shrieks of "Man in the court," we find ourselves looking at Uhler Hall, dorm for the "other than frosh women." Although this dorm was built to stand the rigorous life of a men's dorm, the women have taken over en masse while waiting for a new dorm.

A late feature of the Harvard-styled dorm is the iron lattice work at each end of the court to make life more interesting for the "inmates." House committees are chosen to rule the dorm and proctors are named to keep a watchful eye out for any trouble which might arise.

## Johnson Hall

Johnson Hall, "haven for refugees for education," is a renowned memorial for a great Minnesota governor, John A. Johnson. Although the dorm was originally erected for a girls' dorm, the men have taken over the quarters since the Navy arrived back in 1943.

Many a good "session" has taken place within the walls of the hall and from those "sessions" many good ideas have evolved.

The dorm houses all types of men including mighty athletes, "solid" musicians, studious scholars, and plain G.A. Joes like you and I.

## Extra Snaps

# Trailer Town

Life among the trailerites is a series of problems ranging from the mud-holes of the grounds to the problems of heating the mighty structures they call "Home Sweet Home."

The community operates on somewhat of a communistic basis in that everyone helps everyone else in some way or another. Not only do they share in evenings of companionship, but also in trying to outdo their best friends' culinary arts.

## Pre-Fabs

With the prime requisite of a family, occupants moved into the ultra-modern premises of the hastily constructed pre-fabricated homes by the Stadium.

An interesting feature of the life in the prefabs is the story about Warren Abrahamson and his wife. During the football season they launched themselves in a very profitable business of selling steaming hot coffee and delicious hot dogs to the ardent sports fans.

Socially speaking, the women of the pre-fabs have organized for a once-a-week meeting over the ever-present coffee cup to share their trials and tribulations with their neighbors.

# Speech

The speech department under the direction of Prof. and Mrs. Evan Anderson is one of the finest of all colleges in the Upper Midwest. Its members have achieved heights to which they can well be proud. The debate teams traveled to Virginia and Ohio and made an excellent record for Gustavus Adolphus College. The radio minded students broadcasted from the studios in the auditorium through the facilities of KYSM, Mankato, every Monday.
